Will former bank building be town council's new offices?

EXISTING TOWN HALL FACILITIES 'NOT FIT FOR PURPOSE'

By Philip Evans
philip@pemedial.co.uk

SEATON Town Council's offices accommodation is "not fit for purpose", councillors have been told.

Options to find alternative accommodation to replace the existing one room in the Town Hall were listed on the agenda for the September meeting with four options being given:

- To continue operating from the current arrangements
- To consider alterations to the existing Town Hall building to provide fit for purpose accommodation
- To consider making a proposal to East Devon District Council regarding the lease and ownership of the Town Hall
- To consider taking alternative accommodation in the town centre.

A discussion on the inadequacy of the existing cramped office facilities was started in the public session by Stuart Leach, who presented an eloquent case for option d - alternative accommodation - describing it as "the only true solution".

He pointed that the under the new Localism Act the town council could be taking on more responsibilities for the day-to-day lives of Seaton people and that "fit for purpose" accommodation was "a must".

Mr Leach suggested that consideration of the former HSBC building in The Square should be a starting point for the discussion, stating that the unoccupied building offered "a real viable alternative". It would also present a revenue stream with a large, self contained flat which could be rented out.

Councillors discussed the issue later in the meeting with town clerk Mike Neale saying that from a personal

Quotes of the week...

“IT'S fantastic. This is the seventh year that the county council has been involved and we're delighted to have the start because it gives the people the chance to mingle with the riders. It certainly brings a huge amount to the local economy as well, in terms of attracting visitors and demonstrating that we are a cycling county”

Sidmouth county councillor Stuart Hughes, Cabinet Member for Highways, on the continued success of the Tour of Britain cycle race.

“I'm astounded to hear how long it has taken. In my view it needs a public inquiry. It's got to be sorted out. I owe it to my mum to change that junction. They would have approached that junction not knowing how dangerous it is”

GERRY Manning, son of 82-year-old Pamela Manning, who died in May after an accident at the notorious A35 junction at Hunters Lodge, near Axminster, speaking at a public meeting.

SPORT

First Ironman for Lisa and Guy

GUY Paddon from Ottery St Mary and Lisa Maggs from Buckerrill were among 1,600 athletes who competed in the recent Ironman Wales event.

At 7am the claxon sounded to begin the 2.4 mile swim. Once this was completed the athletes had to collect their trainers, and then run 1km through the town into the transition area where they picked up their bikes.

At this point Guy was marginally ahead of Lisa as they set off on the gruelling 112-mile bike ride.

In their preparation for this event Guy and Lisa have been following a relentless training programme for the past nine months. However, even the rolling hills of East Devon were nothing compared to the brutal Welsh climbs.

The 26.2 mile marathon run was a four-loop course meandering through the streets of Tenby with each loop consisting of just over 10km of running.

Lisa finished in 13hrs, 43mins and 20secs - a truly inspirational performance on her first Ironman, finishing third place in her age category. Guy, also in his first Ironman event, completed the course in a highly respectable 14hrs, 25mins and 10secs.

WITH Liverton United suffering a record breaking 23-0 defeat at Stoke Gabriel Axminster Town's 3-1 defeat at Alphington slipped under the South-West Peninsula League radar.

The Alphas were 2-0 up inside 15 minutes. Joel Seaward pulled one back for Axminster with his first goal of the season but the hosts still led 3-1 at the interval. With no goals in the second-half The Tigers were consigned to their fourth straight defeat and remain 13th in the table as a result.

AXMINSTER

Junction 'must be made safe'

"I OWE it to my mum to change that junction".

Those were the words of Gerry Manning, whose mother Pamela died in a car crash on the A35 at Hunters Lodge earlier this year.

Mr Manning had travelled from Surrey to attend the A35 Hunters Lodge public meeting in Axminster on Monday September 16th.

Mr Manning addressed a packed Guildhall towards the end of the meeting, saying he was astounded there had been a problem without a solution for so long.

He said: "I'm astounded to hear how long it has taken. In my view it needs a public inquiry. It's got to be sorted out. I owe it to my mum to change that junction.

"They would have approached that junction not knowing how dangerous it is."

The accident happened on May 10th, when 82-year-old Pamela Manning, from Harrow, was declared dead at the scene. Her friend, 90-year-old Paula Townsend from Pinner, died in hospital a week later.

The fatal accident helped spark renewed calls for road safety improvements at the site. MP Neil Parish, who had called the public meeting, reported that he had met with The Highways Agency plus Axminster Town Council and Uplyme Parish Council on Friday September 13th.

The Highways Agency had brought a proposal - featuring markings, signs and a flashing light on the eastbound carriageway - to the meeting but quickly agreed to drop it. This was because the proposal was based on accident statistics not including recent fatalities.

Instead, The Highways Agency's revised plan is expected to be presented in December. Mr Parish couldn't say what the revised plan would entail, but he doubted that money could be found for a roundabout.

The meeting lasted for about an hour and the merits and drawbacks of various solutions were discussed. Mr Parish promised another public meeting with all relevant agencies once the revised plan had been presented.

He noted the strength of feeling and said: "Treckon there are about 100 people here, which is something I will pass on."

He urged everyone present to write individually to him expressing their concerns so he can build a strong case for funding.

From the editor's chair Madness - you bet it was!

SEATON has been making the headlines (especially in this newspaper) in recent weeks for all the wrong reasons.

How refreshing then to travel into town on Friday evening to be a part of what Seaton does best - put on a show.

Of late there's been plenty of drama in the main hall, which is now known as The Gateway, superbly run by Seaton's Voice, bringing to the town high class entertainment acts.

And whilst some may have found the last town council meeting held in that same hall mildly amusing (though very uncomfortable for some councillors), the entertainment value fell well short of that enjoyed by sell-out audiences last week.

I refer, of course, to the staging of The Madness musical "Our House" staged by the Testudo Musical Players.

Having staged their first show, "Free As Air" in 1963, the Testudo Players were celebrating their 50th anniversary, a sure fire hit was on the cards.

And what a show it was - one of the most enjoyable I have enjoyed in 40 years and more of covering the local stage.

For many in the audience it was a trip down memory lane with all the unforgettable Madness

hits from the 1970s. But it's a show that requires a predominantly young cast and this was where the Players really scored.

My review of the show will appear in next week's *Pulman's View* when I will be waxing lyrical on the sheer professionalism of the younger members of the cast.

In his programme notes, vic-chairman In Craig wrote about how the show would stretch their younger members. Well they more than rose to the occasion, leaving the audience spellbound by their sheer enthusiasm and talent in recreating the wonder of madness.

I am sure director debbie Bradley was in tears as the ecstatic audience streamed out of The Gateway. Tears of pride.

♦ WHO said romance was dead?

Carnivalite Chris Tratt, one of the Nunsford Nutters, jumped off his float and brought Axminster Carnival procession to a halt.

He called his girlfriend, Katherine Ackerman, out of the crowd and, amid cheers and hoots from the crowd, proposed in the middle of Trinty Square.

And she said "yes!"

COLYTON

District yes to low cost homes

PLANS for 12 new affordable houses on land off of Mount View, Colyton, have been given the go ahead by district councillors.

After a particularly long meeting of East Devon District Council's Development Management Committee on Tuesday, the decision on Sovereign Housing's Mount View proposal was deferred until Friday, angering residents who had waited four hours to put forward their objections.

Six residents spoke against the plans at Friday's adjourned meeting but the application was passed following recommendations from Colyton Parish Council and the district council's planning officers.

Speaking at last week's parish council meeting, before the final decision was made, former councillor Paul Arnott questioned why Colyton councillors made their recommendation in private during a site meeting, rather than in a public meeting, and why the application had been "rushed" through the system.

He asked: "Why was the decision not brought back into a public session to be made?"

Council chairman Andrew Parr replied: "We did agree at the last council meeting that the decision would be made at the site meeting to get it to the district in time."

Council John Meakin agreed that in the end it came down to option d and he suggested that the town clerk be asked to make enquiries to see if he could find suitable alternative accommodation. This was agreed.

SIDMOUTH/HONITON

Streets packed to see top cyclists

THE streets of Sidmouth and Honiton were packed for the start of the sixth stage of the Tour of Britain cycle race on Friday of last week.

Thousands gathered on the seafront at Sidmouth to watch as Olympic champion and Tour de France winner Sir Bradley Wiggins lead the field on the Devon stretch of the tour.

The Tour, celebrating its 10th anniversary year, also showcased two South West riders. Yanto Barker, from Devon, and Chris Opie, from Cornwall, were representing Team Youth UK.

The race got underway just after 11am and the riders lapped up the applause as they coasted through the town centre. Onlookers were handed Devon flags to wave as the competitors came through the first few corners.

Councillor Stuart Hughes, Devon County Council Member for Highways said: "It's fantastic. "It certainly brings a huge amount to the local economy as well, in terms of attracting visitors and demonstrating that we are a cycling county."

"We're also very pleased to have our local riders Yanto and Chris involved this year."

Changes to front garden at Beer Road property 'absolute eyesore'

by Philip Evans
philip@pemedial.co.uk

RAISING the level of a front garden at a property in Beer Road, Seaton, was "an absolute eyesore," Seaton town councillors have been told.

At a meeting of Seaton Town Council's Planning and Amenities Committee, members were told that work had commenced on an application to replace a retaining wall to the rear garden at Kings Cliff, Beer Road, raise the level of the front garden and relocate an existing garden shed for Mr R. Westwood, but planning permission had not been granted by East Devon District Council.

A neighbour, Mr Cyril Hellier, attended the meeting and used the public session to express his concerns about the works which he claimed "severely compromised" the security and privacy of his property and increased the risk of flooding.

In a letter to the East Devon District Council,

Mr Hellier pointed out that it was a retrospective application as the works were "well advanced".

He continued: "We were made aware over a year ago that your office informed the applicant that planning permission was necessary but work continued regardless until quite recently, totally overriding the Planning Committee's authority. "The description of the proposed works outlined on the application looks innocuous.

"Unfortunately, this is not the case. Hundreds of tonnes of soil and sub-soil have been removed from the rear of the property and deposited onto the front garden.

"This has resulted in a huge void at the rear and a raising of ground level at the front by approximately two metres, or level with the top of our wooden fence, dividing the two

properties. The soil has already collapsed and crashed through our fence proving its total inadequacy."

Mr Hellier told the Seaton committee that moving the shed to the front of the property was "an absolute eyesore" and claimed that the situation had caused stress to his family and other neighbours.

Committee chairman John Meakin said that the excavation of soil seemed much bigger than the need for a retaining wall.

District councillor Stephanie Jones, speaking from the public seats, said she had sent an email about the situation to the enforcement officer of the Eastern Planning Team.

She believed that health and safety issues were involved and she had objected to the application on behalf of herself and Councillor

Jim Knight.

Councillor Meakin suggested that they objected most strongly to the application and to write to the enforcement officer asking what was going on.

"We need to know what it happening here before it is too late," he said.

"It's an absolute mess and the sooner we get authority to stop it the better."

Councillor Val Christmas pointed out that Mr Hellier was not the only person who had objected - two others had registered their objections.

It was also agreed to call for a site meeting.

● COUNCILLORS raised no objection to an application by Mr Martyn Ould to demolish and existing house and garage at Cliff Edge, Beer Hill, and replace it with a new dwelling.

No objections were raised to an application by Mr Denis Long to construct a summer-house at 9 De La Pole Court, Fore Street.

BACK ON DRY LAND | Roy arrives at Land's End after eight days in a kayak

ROY Beal had dolphins for company when travelling through Plymouth Sound on his eight-day Seaton-Land's End kayaking fundraiser.

He set off on August 25th and looks set to raise about £3,500 for Cancer Research UK.

The challenge came about after a number of people he knew suffered from or were affected by cancer.

Looking back on the adventure,

he said: "Setting off from Seaton beach must have been a great sight as a dozen or so canoes and kayaks headed towards Beer Head. "That's because Axe Vale Canoe Club came out to join us for the first few miles, along with Julian from Axe Marine Services with his support boat for the first 15 miles. After that it was just Stuart and I until he pulled out."

What was meant to have been two kayaks turned into one as

Roy's friend Stuart Mansell struggled with an injury and had to pull out after two days.

He later rejoined but had to pull out again because of the injury, instead taking on a land-based support role for the remainder.

Roy added: "The trip in general went very well, although, on day three, I had to stop at Bigbury-on-Sea to avoid a thunder and lightning storm.

"The last four days of paddling included constant force four head winds and one to two-metre waves around St Austell, The Lizard as well as Land's End.

"I was fortunate enough to sight three dolphins in Plymouth Sound.

"As there is no way of beaching at Land's End itself, I had to paddle an extra mile to Sennen Cove where I could touch dry land.

"I would like to say thank you to all the people and businesses that helped me throughout, too many to list here but they are on the website - www.kayakagainstanccancer.co.uk.

"It looks as though the total raised for Cancer Research UK is going to be at least £3,500."

New home for town council?

■ CONTINUED FROM PAGE 1

point of view he did not find the current office fit for purpose and that he was "really struggling" to work in the environment he had been given.

Councillor Val Christmas said option d - taking alternative accommodation - was the only way forward and should be looked at sooner rather than later.

Councillor Tony Woodman agreed, saying that had the council bought St Clare's when it was available they would not be in the position they were now.

He said: "I do not know of another building in the centre

of Seaton and we would still have to come back here for meetings. We cannot afford to take on the lease of this building and I would like to see a purpose built building for the town council."

Former chairman Peter Burrows agreed that the HSBC building could provide a suitable alternative, although they would probably still have to hold meetings at the Town Hall.

Council John Meakin agreed that in the end it came down to option d and he suggested that the town clerk be asked to make enquiries to see if he could find suitable alternative accommodation. This was agreed.

History in the making

Retired haulier recalls making the first Gibraltar border crossing

A FORMER haulier has recalled the heady days when he was the first British commercial vehicle to cross the reopened Spain-Gibraltar border in 1985.

The memories came flooding back to Axminster resident Peter Baulch when the recent Gibraltar controversy flared up.

The story starts in 1970 when Mr Baulch took over Axminster-based cattle transport company Charles Neale Ltd.

Over the coming years the company developed into general haulage under a new name, Axminster Transport.

In 1976 the company acquired Chard Transport and

got a new name again - Chard and Axminster Transport aka CAT.

Business was booming and the company relocated to Chard and subsequently expanded by opening a base in Cherbourg, France, in 1978.

The company had 15 trucks operating all over Europe, mainly distributing refrigerated goods.

In 1981 Mr Baulch was contacted by Gibraltar-based company Restsso Trading Co. Ltd, asking if CAT would be interested in transporting provisions from the UK to Gibraltar.

The Spain-Gibraltar border had been closed since 1969, but Restsso had re-

ceived information it was about to reopen.

Mr Baulch travelled to Gibraltar for talks and plans were made.

In spring 1982 Mr Baulch and his staff were about to load a truck for the maiden run when they suffered a sudden setback.

The border would reopen, but only for Spanish citizens and inhabitants of Gibraltar on foot. Cars and commercial goods remained banned.

Mr Baulch said: "The border would not fully open because of the Falklands War, that's how it was relayed to us."

It would be another three years before he got to send his first load to Gibraltar.

At Christmas 1984, Restsso director John Risso was on the phone again, saying he'd heard the border would soon be fully reopened.

The information proved to be correct and it was soon announced that the reopening would happen on February 5th in 1985.

A test run with non-perishable goods was planned for the historic occasion.

Spain wasn't in the Common Market (EU) at the

time, which increased the bureaucratic burden involved.

But Mr Baulch was determined to see the project through.

In February 1985, driver Richard Jennings from Honiton was at the wheel of the Leyland Roadtrain while Mr Baulch flew to Malaga to meet his driver there.

Mr Baulch joined his driver in the truck for the last leg and they crossed the border to be greeted by Governor of Gibraltar Admiral Sir David Williams.

He told the two Devonians: "I'm glad to see you. I'm glad you are making a presence here."

"It will benefit Gibraltar."

Talking about how he felt when he crossed the border, Mr Baulch said: "It was a relief. All the hard work put into it had actually paid off."

"We paved the way for others to follow, so my company made a little bit of history."

Although the border was now open, the regular trips that followed were full of bureaucracy, costing time and money and following difficulties due to price

wars, CAT eventually pulled out from the route.

The last regular trip was made in 1986, followed by a one-off in 1987.

Looking back on his attempts to get established on the route, Mr Baulch said: "I enjoyed it. It was something new, but we did expect to get more out of it."

But you don't know until you've tried, do you?"

CAT had already started to change direction at the time of pulling out, concentrating on parcel deliveries within the UK.

It was sold to Swiss freight transport giant Danzas in July 1989, Danzas later merging with DHL.

Procession halted for marriage proposal

COLYTON-based Nunsford Nutters CC triumphed by clinching The Bevis & Beckingsale Trophy for overall best entry in Axminster Carnival.

With a float called Nutters Health Service they stopped the fancied Sidvale CC's and its Legend of the Crystal Skull from taking another best overall title on the circuit this year.

A CARNIVAL participant jumped off his float to propose to his girlfriend in a well-planned operation. Nunsford Nutters CC member Chris Pratt took almost everybody by surprise when he leapt off the float in Trinity Square and proposed to girlfriend Katherine Akerman, who was in the crowd and utterly surprised.

Mr Pratt, from Hawkchurch, told *Pulman's View* on Sunday morning: "It was a total shock to her. "She is still in shock but said yes, luckily."

A few people were in on the plan.

Mr Pratt had made arrangements with carnival organisers to have a microphone ready and Katherine's friend had agreed to make sure the bride to be watched the procession from a specific spot.

Katherine, from North Curry near Taunton, said: "I had no idea, I was really stunned."

Mr Pratt was on the overall winning float and summed up the evening by saying: "We did rather well last night."

Nunsford Nutters also provided added drama when member Chris Pratt jumped from the float to propose to his girlfriend Katherine Akerman (see separate story). Organisers were pleased to see collections go past the £1,700 mark.

Speaking on Sunday morning whilst busy counting the money, Axminster Carnival chairman Keith King said: "It

Puffins' recruitment drive

BEER Puffins' new chairwoman has launched a recruitment drive to attract more young children to the pre-school facility in the village, **writes KEVIN FAHEY.**

Anna Vine took over the voluntary role in June and immediately had to cope with the departure of 21 children, 20 of whom have progressed into the first year at Beer C of E Primary School.

"It is brilliant that numbers are so high for the school but now we have been left with just 15 children in Puffins and we need to build up those numbers again as soon as possible," said Vine.

"It is the sort of thing that happens to all pre-school facilities, so we are looking to attract more children here to what is an excellent facility in a lovely setting which backs on to Pecorama."

The Puffins pre-school facility starts for

two-year-olds and operates five days a week for 38 weeks a year to match the Beer School schedule.

"We run sessions from 9am-12noon, 1-3:30pm and also a lunchtime session from 12noon-1pm," added Vine.

"There is a lot of flexibility for parents into which sessions they can book and the staff have a lot of experience and qualifications, including using sign language, to enhance what we can offer children.

"We also take children from anywhere and have had some from Branscombe, Southleigh and Seaton. Anyone is welcome.

"We have a very skilled team led by a leader and five other staff."

Karen Hoskings, whose three-year-old daughter is at Puffins, had nothing but praise for the pre-school.

"Puffins is a wonderful setting for my daughter, their promotion of play and the outdoors had helped build her confidence and is actively preparing her to move towards her first year of school," said Karen.

"The excellent staff are attentive and actively engage with the children making them all feel confident as part of a group, the welcome we received when moving in the area was amazing.

"I would not hesitate to recommend Puffins to other parents in the area looking for high standard of pre-school care. My baby son is already on the waiting list!"

Sessions cost £3.70 per hour for a three-year-old and £3.90 for a two-year-old and assistance is available for disadvantaged children.

"There is something there for everyone no matter what their circumstances," stressed Vine.

In addition to launching the recruitment drive Vine and her fellow committee members have had a busy summer of fund-raising with almost £1,000 earned from three events held during Beer Regatta week.

"That was a fantastic start for us and we are hoping to raise even more money for Puffins in the next year or so," said Vine.

"We can also apply for grants for specific projects but for the day to day organisation Puffins depends on children coming in.

"We are not in a desperate state but we have to work hard to promote Puffins to attract more children and also step up our fund-raising."

For more information about Puffins see the website www.puffinsatbeer.co.uk

Mayor rewards children who complete library's summer challenge

AVID READERS | The Mayor of Seaton, Councillor Gaynor Sedgwick, pictured with the children who completed the Summer Challenge at Seaton Library

SEATON Library's computer room was packed to capacity when 75 local children were rewarded for taking part in a summer reading challenge.

In all 165 children enrolled in the annual Summer Challenge, with 75 reading the six books with a 'Creepy House' theme - involving three visits to the library.

Each of them were presented with a certificate and medal at a special ceremony by the Mayor of Seaton, Councillor Gaynor Sedgwick.

The Mayor said she was pleased that so many Seaton children were interested in reading and congratulated all those involved in the library's Summer Challenge. She expressed the view that reading would make the children "much more interesting" people. She also congratulated the parents for encouraging their children to read regularly.

The Summer Challenge was organised by the library's first assistant Skevoulla Hambi-Hilder who conducted the ceremony and thanked all the children and parents for their support.

Seaton Lions back Tom's coastal walk

LION Tom Osborne has just completed the second leg of a massive sponsored walk to raise funds for the Lions International Blood Research Appeal (LIBRA).

Tom Osborne raised around £1,000 after he finished 12 days of intensive walking along the South West Coastal Path on Sunday, September 15th.

by Ian Barradale

The journey took Tom from South Haven Point, Studlands, to Brixham in Devon.

The first leg, which Tom completed in July, took him along the Solent Way from West Wittering to Sandbanks in Dorset.

Seaton & District Lions Club president, George Mabon, is pictured presenting Tom with a cheque for £100 towards LIBRA and a Seaton & District Lions Club banner to take back with him to his own Lions Club in Horsham.

Tom's long term goal is to walk the coast of England and Wales, a distance of 5,500 miles.

Beer set to mark outbreak of World War One

BEER residents Richard Scott and Peter Anderson are looking to finalise plans for the village to mark the 100th anniversary of the outbreak of World War One next year.

Richard Scott said: "We are calling a public meeting in the Congregational Church Hall on September 26th at 6pm, to outline what we think is appropriate."

"We want the Beer public to approve, suggest or amend what we have planned because

it is their event, not ours."

The centre piece is envisaged as a recreation of the march through the village by the Beer Royal Naval Reserve, which was called out on August 3rd 1914.

Peter Anderson said: "We want to gather as much information as we can about the existing relatives of the Beer RNR still living in the village and invite them to march as their forebears did, which will be in homage to the service and sacrifices they made all those years ago."

Councillors complain of concrete in allotment plot

PARISH councillors have complained that an allotment holder has created a concrete plinth on a plot in Colyton.

Chairman of Colyton Parish Council's amenities committee, Colin Pady, reported last week that a plot holder had created a concrete plinth for a shed, which had turned a temporary structure into a permanent one, going against the council's policy for allotment holders.

However, some members were concerned that the council's regulations were not clear on such matters.

Councillor Sheila Smith said: "The problem is we don't have strict rules and regulations but I have had a lot of comments on it from allotments holders. If they give up the plot what is the next person going to do?"

Councillor Bob Collier said: "I have been up there and it looks a mess. I think it's an insult that anyone has the audacity to change the rules. If you are going to put a shed down you should put it on sleepers."

Council raises road issues with county

COLYTON Parish Council has raised a number of traffic and highways issues with Devon County Council at a special meeting.

Members of the parish council met with county councillor Sara Randall Johnson and highways officers to tour the town and point out a number of concerns.

Councillor Caroline Collier reported back to council at last week's meeting. She said that in response to the parish's suggestion of painting double yellow lines in Sidmouth Road, officer suggested doubling and extending the existing single yellow line.

Regarding the request for dropped kerbs outside the town hall and Lloyd's Bank, officers had suggested that the parish council create an entire route around the town for

Councillor Stephen Real said: "If the rules say you can have temporary structures he should be made to remove the concrete. Allotments are allotments, it's meant to be soil."

He suggested writing a letter to the plot holder asking him to remove and that the council review the regulations for any future incidents.

Councillor Mark Mann suggested meeting with the allotment association to discuss any changes to the regulations.

Councillor Caroline Collier argued: "It's not for them to make the rules, it's for the parish council."

Councillor Mann replied: "I didn't say they would make the rules but it would be very pleasant for the people who are doing a good job to have some input."

the disabled and those with pushchairs incorporating dropped kerbs, which they could then apply for funding for.

Officers suggested that the council pursue a coloured surface or flashing lights on the A3052 in Colyford to help reduce traffic, rather than a 20mph limit on the stretch between Colyton and Colyford.

Councillor Collier said that another meeting had been scheduled for November 14th.

The chairman, Councillor Andrew Parr, said it was important to raise the problems of flooding at Ridgeway at the next meeting.

Councillor John Hay, who lives in that area, agreed, adding: "They have got to look at the problem of the amount of water coming down from Colyton Hill."

■ **SINGING STARS:** Colyton Grammar Chamber Choir after the service, with director David House back row centre

School choir at Gloucester

COLYTON Grammar School's 40-strong Chamber Choir recently travelled to Gloucester to take part in the Evensong service at the city's 15th century cathedral.

The choir included current sixth form students as well as some of last year's school leavers, giving a good opportunity to say farewell to them before they depart for university life. The choir performed Walmisley's "Magnificat" and "Nunc Dimittis" and, as their anthem, "None Other Lamb" by modern composer Will Todd.

In addition, regular parts of the service involved singing the Responses, by William Smith of Durham, and a Psalm. The event was part of a three-year cycle the school undertakes, aiming to perform in all the major cathedrals in the Southwest.

Director of Music, David House, said: "The cathedral was a very impressive building to sing in, and the whole thing sounded really fantastic in the reverberant acoustics."

Pulman's View from the churches

With NIGEL SPELLER

LAST week we reported a new face at Honiton Parish Church, now we record the arrival of Pastor Luke Mansfield and family at Honiton Baptist Church - welcome!

Following a recent landmark vote on Women Bishops, women in Welsh Anglican Churches will be allowed to become bishops. Members of the Church in Wales 144-strong governing body voted through the proposals at a meeting in Lampeter in West Wales. So the Welsh church will be the first in UK to back women bishops.

In Exeter Anglican Diocese the task of choosing the next Bishop of Exeter is in the hands of the Crown Nominations Committee, with an announcement expected by the year end and a new Bishop coming soon after Easter. Meantime the Bishop of Crediton is in post.

In the west of our circulation area the Parish Church at Ottery St Mary is hoping to provide better and important toilet facilities at the church. This proposal has to have local authority approval and is being sought, which includes a site inspection by the local authorities.

With holidays over for many and special services for such events as carnivals and harvest completed, thoughts can be of Bible Sunday on October 27th for which Bible Reading Resource Packs are available - phone 01865 319700.

A Devon Area RSCM Advent Carol Service at Buckfast Abbey is announced for Saturday, November 30th at 4.30pm - details available from nbrownpiano32@btinternet.com

The new Anglican Bishop of Durham (following his predecessor moving to Canterbury) has reported great demand for food banks and welcomed the help from churches. The Church Urban Fund reports that as many as 80 per cent of all churches are now involved in food banks, and Devon has a very good record in this respect.

The Charity Commission has just published guidance under the title "What Makes a Charity" to replace guidance published in 2008, which unfortunately may not be of great help to religious charities, but more is promised.

The latest edition of Rural Theology, journal of the Rural Theology Association, has just appeared and contains an interesting report concerning the perceptions of some 70 serving clergy in the West Country regarding the contribution of their retired brethren, as the numbers of serving and retired clergy change the numerical balance.

Another reminder for PCCs - that they should register chancel liability for local landowners in their parish by October 13th 2013 if they want assistance over future repair bills. Time is running out and the best advice is that PCCs should find out if land is liable, and review carefully the implications of registering it.

Looking ahead, Friday, October 4th at Seaton URC Church offers lunch for Christian Aid from 12noon to 1.30pm. For more details telephone 01297 22583.

SEATON

ON September 17th Seaton WI's meeting was held on a very wet afternoon. Heather Marriner chaired, as president Ann was on holiday.

Tickets were given to the members who will be attending the autumn council meeting at Plymouth and menus for the Christmas lunch were distributed.

Denise England brought along a Food Bank box and explained the types of non perishable foods required. She will bring the box to future meetings for members who wish to donate.

Steve Lord gave a talk about his life in brass bands. He brought his euphonium along so members could feel how heavy. In 1960, Mr Lord started playing in the Whitworth Vale & Healey Band in Lancashire until the 1980s when he joined the Brighthouse and Rastrick Band (that of "The Floral Dance" fame).

Members listened to some music recordings and watched slides of various bands and some of the venues they played, including St Paul's Cathedral and the Top of the Pops studio.

Competition for something musical was won by Aimee Guard. Flower competition results were as follows: st Zelma Lindsay Smith, 2nd Jan Probert, 3rd Aimee Guard.

The next meeting is on October 22nd at 2.15pm in Seaton Methodist Church Hall.

OFFWELL

THE September meeting of Offwell WI, held in the village hall, was chaired by vice-president Eileen Rooke.

The business part included arrangements for the outing to Tintinhull, the speaker's preview day at Longdown, the autumn council meeting in Plymouth together with the skittles competition, croquet day and Christmas dinner.

The speaker was Olive Price, who kept her audience entertained by demonstrating some beautiful flower displays and amusing everyone with her skill and ability to keep up a running commentary about home and garden, including so many useful hints and tips, whilst producing five autumn arrangements.

These were later raffled and the lucky winners were Melanie, Joan, Phyllis and two visitors.

The vote of thanks was given by Melanie and the evening concluded with refreshments pre-

Women's Institutes ROUND UP

pared and served by the committee.

The group meets on the first Thursday of every month and new members would be most welcome.

WHITFORD & MUSBURY

THE September meeting of Whitford & Musbury WI was held in Whitford Village Hall on Tuesday, September 10th and was particularly well attended.

Apologies were taken and lots of birthday posies were given out, for both August and September.

President Mamie introduced the speaker, Mr Whitton of Whitton and Laing valuers who brought along a collection of antique jewellery and other pieces, which members were able to handle. He was thanked by Margaret Clarke.

A delegate is needed for the autumn council meeting in Plymouth and Musbury School has made a request for helpers with cookery classes.

The group received a thank you card from Sidford WI for providing the cream tea on their outing.

The birthday lunch is on Tuesday, November 19th, venue to be announced later.

The groups is hosting the autumn group meeting to be held on Friday, October 25th at 2.30pm in Musbury Village Hall. The next regular meeting is on Tuesday, October 8th at Whitford Village Hall at 7pm, where members will have a harvest supper. The competition will be a "homemade musical instrument".

HONITON AFTERNOON

THE September meeting of the Honiton Afternoon WI was the annual members' meeting.

This year, the group was very fortunate in having one of their own members, Sue Horswood, to speak to them. Sue gave a most in-

teresting, illustrated talk on her 2012 summer holiday in Switzerland.

She is a very keen photographer of beautiful wild flowers found in both mountain and country areas. Sue also included photos showing scenery and members were surprised to see how much snow was on the mountains in the middle of summer.

The speaker also pointed out the change in the glaciers since she first visited the country, much reduced as the years go by. She has travelled widely and members always look forward to her talks.

Refreshments were provided by Jenny Richards.

The next meeting will be on October 14th at 2pm in the Methodist Chapel, when Diana Jones will speak on The Red Cross Movement. Visitors are always very welcome to attend.

ALL SAINTS

DAVID Craner, town crier of Crewkerne, Beaminster and Seaton, and current Dorset champion, was welcomed at the All Saints WI meeting on September 10th.

Resplendent in his Seaton livery he regaled members with stories through the ages and reminded them that they haven't always been known by the title of town criers, but also heralds, bellmen and messengers.

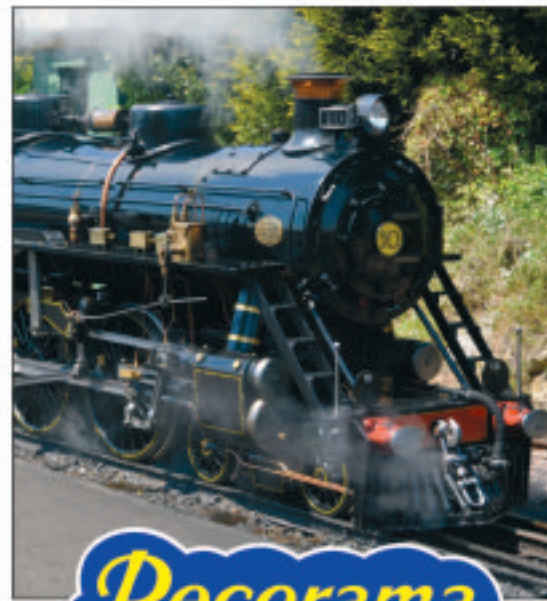

Indeed it is recorded that in the first Olympics in 776 BC, heralds cried out the news and events and, in the Book of Proverbs too, it is said: "...wisdom calls out aloud in the streets, she calls..." showing that women have also played their part throughout history.

Duties of the crier have also included time-keeping through the night, weatherman and policeman, though these days it is mostly "crying" out the news of a specific event.

Although bells seem to have been the most well-known tool of the criers but horns, drums and gongs have also played their part.

War hero's medal comes home to Membury

THE World War One Victory medal issued to Membury born soldier Robert Newbery has been found and returned to village of his birth.

Children from Membury primary School gathered at the village church on Friday to see the medal handed over to the local History Society.

Society chairman Robbi Robson explained to the children that she had recently visited Northern France where she located the graves of all Membury's First World War sol-

diers killed in action. On her return she received a telephone call from Tom Hirons, from Honiton, who collects war-time memorabilia, saying that he had bought the medal and that he wanted to give it back to the village.

Mr Hirons presented the medal to Mrs Robson, together with a hat badge for the Middlesex Regiment, with whom Mr Newbery served, although it was not his personal hat badge.

The children, under the

guidance of teacher Ted Underwood, had been studying the First World War and were asked to put down on paper what they would say to Mr Newbery had he been alive together. Three of them read out their comments in which they expressed how proud they were of their fellow villager.

Mr Newbery, whose name is included on a memorial plaque in the church, is on the 1901 census, aged 5, living with his parents, brother, sister and grandmother in Prospect Cottage, Membury.

Mrs Robson told the gathering of society members, villagers and children that in 1911, aged 15, Mr Newbery had left home and was working as a cowman at Ford Farm, Furley. He enlisted in the Middlesex Regiment and fought on the Western Front for 9 months.

Mr Newbery was killed on March 3rd 1916 and he has no known grave. He is remembered on the Loos Memorial to the Missing, together with two other Membury boys, Noel

Aplin and William Parker, and another 20,605 men. In that part of France, the front line changed over time, and the bodies of many men who were killed in No Man's Land could not be recovered until years later after the war.

NEWBERY, Robert George

Mr Newbery was born in Membury in 1896. His parents were John Newbery and Bessie (nee Aplin) who married in 1895. He was their eldest child, and he had a brother Simeon James (1898-1968), a sister Emma P born in 1900. And another brother Frederick C born

in 1904.

In 1901 John was a carter on a farm. He and Bessie, together with Robert, Simeon and Emma were living at Prospect Cottage, Membury, together with John's mother, Sarah Ann Newbery, who was a Laundress and Midwife.

In 1911, John was a Limeburner. He and Bessie, with mother Sarah and son Frederick were living at Green Down, Membury. Robert was a cowman living at Ford Farm, Furley, living with the Perham family. Simeon, aged 13, was a Mason's Labourer and

was recorded as being a patient in the Axminster Hospital.

Robert enlisted at Axminster into the Duke of Cambridge's Own (the Middlesex Regiment) the 11th Battalion. The 11th Battalion was one of the units set up in August 1914 as Kitchener's New Army – made up of volunteers. They went to France between May 29th and June 1st 1915, landing at Boulogne. They were in action at the Battle of Loos in September 1915. After a period of rest, they move into reserve and then in the front line at Givenchy, and then

a period of training. They moved back to the front line at Loos on February 12th 1916.

Robert Newbery was killed in action on March 3rd 1916 and is recorded on the Loos Memorial for the Missing, in Loos-en-Gohelle, France. Also recorded on the Loos Memorial are Noah Aplin (a relative of Robert's mother?) and William Parker.

The men who died there were mainly killed in No Man's Land as the front changed positions over time. Those bodies that still existed were not therefore recovered until

after the war in 1919, when there was no way of identifying them.

◆ **SIMEON** James Newbery also enlisted in World War One and went into the Royal Marine Light Infantry. He was in the Plymouth Battalion at Dunkirk 1914 and seems to have been discharged and demobilised soon after.

He later went to America and his name appears on liner lists going to New York in 1948 and 1955. But he seems to have come home to marry Alma Loud in 1967, although he died in the US in 1968.

Seating and shelters need tidy up

■ THE following letter was sent to Mark Williams, chief executive of East Devon District Council:

I have written to you before over your authority's miserable penny-pinching attitude by turning off the car park lights at night in Beer and other East Devon towns.

Despite that, I have since enjoyed a few more holidays in Beer. However, I have been increasingly annoyed at the state of the "cliff top" area. There is a bench which has been in a damaged state for years (all the benches are actually well past their best). There are two shelters (with pretty uncomfortable seats) which are absolutely filthy; the floors and windows clearly haven't seen a drop of water and detergent for years.

No doubt your council's excuse for this lack of maintenance will be that it cannot be afforded. As I pointed out before, you must rake in an absolute fortune from visitors in car parking charges alone. And let us not forget council tax revenue from the local population, who must be angry and embarrassed at the shoddy state of the facilities.

What a disgusting impression tourists, especially from abroad, must get. Admittedly, it is the behaviour of certain sections of society that

contribute to the poor state of some facilities, but that is no excuse for the council not to keep the area as nice as possible, especially bearing in mind Beer is a popular tourist destination.

What particularly spurred me to write to you now is the installation of a piece of exercise equipment this summer on the cliff top. I had been led to believe that this was supplied by your authority but, looking at the web, I now gather it (and another similar piece nearby) were donated by a local developer. Obviously it is up to that company to decide how to spend their money, but I wonder how many locals and visitors would have preferred to see a refurbishment of the seating and shelters (which could then have had signage acknowledging the company's generosity)?

Please can I ask you to look into this matter, and ensure that the residents of, and visitors to, Beer will see dramatically improved facilities in the near future.

Green wedge protestors should tackle other sites

■ GOOD for Mr David Field (*Pulman's View*, September 10th) saying that about the green wedge people.

For months now I have listened to conversations whilst travelling on a bus, in shops, banks, church, etc. I then decided to enquire of them where they loved and how long ago they themselves became incomers to my dear old town.

I am over 84 so I can well remember the green (wedges) sites that now have homes on.

If they must stir things up why not

tackle that mess at the top of Seaton Down Hill or the old Racial site or, even better, the camp site that was? I can remember that as being the end of all the hotels, boarding houses and our mum's pin money for bed and breakfast.

If they don't like Seaton why don't they go back to where they were so unsatisfied to live?

Joyce Steele
The Esplanade, Seaton

Housing is needed but must be in right place

■ WE would like to say a big thank you to all those people who supported us in our opposition to the plan to develop the green wedge, a most beautiful part of Seaton and Colyford that must remain undeveloped for many reasons, some of which we list here.

- Our wildlife – a very rare, grey long-eared bat has been found breeding in an area adjacent to the proposed development site;

- The predation by domestic pets and light pollution would have a devastating effect on precious and vulnerable wildlife in this area;

- We have a beautiful wetlands area that is attracting more and more visitors and this plan would negate all the investment and effort put into creating it;

- Without the protection of the green

wedge, development of this area could eventually lead to the coalescence of Seaton and The Ancient Borough of Colyford.

There are many more reasons for opposition to this development – too many to list here, and we will, therefore, continue with our opposition to this plan. We would very much like to stress that we fully understand the need for housing, but it has to be in the right place – brownfield sites first.

Finally, our thanks once again to you all, and to our local press for covering this very important issue.

"The Seaton 6"
(Protestors of the green
wedge development)

Still no news on Stop Line Way?

■ IN response to an earlier request, the Mayor of Colyford, Howard West, in his letter to this paper on June 5th confirmed that plans for the Stop Line Way cycle path through Colyford were "progressing well" and that we should "watch this space".

In my letter dated June 18th, Mr West was challenged to support his statement.

Since then, three months have passed and despite "watching this space", no response is evident and Mr West has re-

mained silent. It would seem therefore that his statement was a typical politician's statement, all promise and no substance. What a pity. I was so looking forward to a ceremonial opening of the cycle way with the three mayors of Seaton, Colyford and Colyton cycling the route in full regalia, accompanied by the press also on bikes.

John Potter,
Axmouth

Colyton parking must be addressed

■ ON a number of occasions I have noticed parking in Colyton Market Place which appears to disregard other road users and double parking is not uncommon.

This causes unnecessary congestion which at best can cause inconvenience but a much more serious consequence could result if emergency vehicles were impeded.

Whilst recognising the need of delivery

vehicles and that the modest car park charges are significant if only making small purchases I think that it is time for appropriate authorities to review the current situation including the provision of free short term (20-30 minutes) parking and for those parking in the area to show due consideration for other road users.

Charles Hill,
River View Close, Colyton

Time to move on from mayor's mistake

■ SEATON Mayor Gaynor Sedgewick has admitted she acted unwisely at a council meeting and made her apologies.

It seems the occasion was stressful and surely now it would produce better results if she was left to get on with the job, into which she puts a lot of hard work, and deal with the issues which led to the

upset and not be abused at every turn. Life is never perfect, we all make mistakes and if everybody gave up after doing so not a great deal would be accomplished.

Museum still popular but visitor numbers down

WHILST Seaton Museum remains a popular attraction, the number of visitors to the Axe Valley Heritage Centre in Fore Street has dropped dramatically since the closure of the holiday camp.

Museum curator and Freeman of the Town of Seaton, Ted Gosling, told *Pul-*

by Philip Evans
philip@pemedial.co.uk

man's View that the museum attracted a record number of just over 7,000 visitors in the summer of 1999 – but this had fallen

to 1,650 in the 2012-2013 season, the worst year for over 20 years.

In his annual report, Mr Gosling commented: "The weather and the Tesco effect was mainly to blame and we are taking steps to improve visitor numbers this year.

Referring to the current season drawing

to a close, Mr Gosling told our reporter: "I am pleased that we have topped 2,000 visitors this summer but it is nowhere near the number we used to attract.

"The closing of the holiday camp has had a huge impact on us and since Tesco opened people don't seem to come up this far any more."

Mr Gosling said the museum was still popular with foreign visitors and recalled a couple from Perth in Australia who were looking for information of their ancestors, the Snell family of Seaton.

Mr Gosling was able to show them a photograph of Mr Harry Snell, one of the area's best rugby players who played for Seaton Rugby Club prior to the First World War when they won the Devon Junior and Coronation Cups.

Mr Snell played for Devon and as a reserve for the England team and the young couple were delighted to see one of Mr Snell's Devon caps on display at the mu-

seum. Rugby was a very popular sport up to the First World War but the club was never revived after hostilities ceased and association football became the town's main sport.

Mr Gosling also recalled a visit from another couple from Australia enquiring about Mrs MacDonald who used to run The Wheelwright tea rooms in Colyford (now a pub) in the 1970s.

Everyone knew her as Mrs Mac and Ted was a regular at her establishment which served between 200 and 300 cream teas every weekend.

In those days The Wheelwright was very popular with parents of pupils at Allhallows School at nearby Rousdon.

Mr Gosling was surprised to hear that Mrs Mac is still alive at 106-years-old.

● THE Axe Valley Heritage Association's annual Christmas dinner will take place at the Dolphin Hotel on Sunday, December 1st.

New notice board on the agenda

SEATON Town Council is investigating the possibility of erecting a new notice board on the Round Orchard site in Harepath Road.

Members of the Planning and Amenities Committee said two quotes had been obtained for £579 and £672 for the notice

board which would be on East Devon District Council land.

Council chairman Gaynor Sedgwick said she did not favour glass doors to the notice board because of the threat of vandalism and preferred a board where people could fix laminated notices.

Councillor Tony Woodman said he lived in Harepath Road and would be willing to look after the board.

It was agreed to defer a decision for town clerk Mike Noble to confirm how much was allocated in the council budget for the board.

Traditional Acupuncture

Acupuncture can improve & maintain health & energy & enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other niggling problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

Cath du Preez MTI

Registered practitioner and full member of the Massage Training Institute (MTI) and the Complementary & Natural Healthcare Council (CNHC)

Massage is a hands-on, holistic method of health care.

Massage therapists use hands-on techniques on the muscles, fascia, tendons, ligaments and joints to bring relief from everyday aches, reduce stress, increase relaxation, address feelings of anxiety and tension, and aid general wellness.

Massage therapy also treats specific physical and medical conditions by releasing muscle tension, restoring muscle and postural balance, increasing circulation and improving tissue nutrition. Therapeutic massage can effectively treat long term chronic pain, motor vehicle accident rehabilitation, athletic injuries, repetitive strain injuries and nerve impingements.

It can also be used in support of other therapies to assist in the rehabilitation of muscular injuries i.e. massage can improve the effectiveness and comfort level of chiropractic or physiotherapy care.

Massage can also be an important part of a preventative maintenance program. For long term health, consider a maintenance plan of monthly treatments. This approach works well when you are at a level of health that you want to maintain. The monthly massages take care of minor aches before they become painful problems.

Michelle Hague Hypnotherapy

Hypnotherapy can help you improve sleep & can impact on your health

ACCORDING to recent medical research, regular fulfilling sleep can reduce the risk of cardiovascular disease (CVD) and primary hypertension in the same way that exercise, healthy diet and quitting smoking can.

A recent study published in the European Journal of Preventive Cardiology found that people who enjoy a relaxing night's sleep can significantly reduce their chances of being affected by cardiovascular disease. If this is combined with a healthy lifestyle, results showed that people have a 57 per cent lower risk of CVD both fatal and non fatal and are 67 per cent less likely to die from the illness.

In response to these latest findings Michelle Hague a professional Clinical Hypnotherapist and International lecturer with The London College of Clinical Hypnosis is focusing her attention on sleep disorders and primary hypertension and has decided to highlight the effectiveness of clinical hypnotherapy and mindfulness to help those suffering with sleep disorders.

The London College of Clinical Hypnosis in partnership with The University of West London train all their therapists to assist individuals presenting with sleep disorders and help them make those important life style changes, that can so seriously affect their health. The British Society of Clinical Hypnosis, which is made up of qualified and professional hypnotherapists, supports all its members who can help clients to learn techniques to help themselves relax and fall to sleep more easily.

"The findings of this new research are indicative of how important sleep is and the effect it can have on individuals health and well being."

The BSCH is made up of hypnotherapy professionals and is committed to ensuring the highest possible professional standards amongst its members.

Those looking for assistance to stop smoking, weight control, anxiety, panic attacks, habits and phobias may be helped by their local BSCH accredited therapists, look for the MBSC letters after their name on their websites, or check out your local therapist online at www.bscho.org.uk/Finding.htm As one of the largest registers of independent Hypnotherapists, the British Society of Clinical Hypnosis (BSCH) is actively involved with

the Complementary and Natural Healthcare Council (CNHC) and strives to develop standards for the benefit of the profession, now and into the future.

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton on Tuesdays, Wednesdays and Thursdays.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Respected folk duo set for Seaton gig

Maggie Boyle and Paul Downes
set for Jurassic Folk Guest Night
See page 24

Respected folk duo at Jurassic Guest Night

TWO of the most respected musicians on the folk scene are about to appear at Jurassic Folk.

Maggie Boyle is a traditional singer with as comprehensive a CV as you're likely to find anywhere in the folk world. She's performed with the biggest names (Jansch, Tilston, Renbourn ...), her voice adorns movies (Patriot Games, Legends of the Fall), voice and flute are an integral part of Christopher Bruce's folk ballet, Sergeant Early's Dream, created for Rambert Dance Com-

pany. . She is London-born of Irish descent, and as the late Bert Jansch said of her singing: "Maggie has a spell-binding, intoxicating quality in her voice which is extremely distinctive - must be the Irish in her....a rare thing in today's music world." She performs solo, with Grace Notes and a long list of collaborators.

Paul Downes is described as one of the greatest acoustic guitarists in the world. It is easy to see why when you see the dazzling array of styles he performs with effortless brilliance, but at the same time he considers himself as a singer of songs, rather than a guitar technician. Paul has a rich musical background that has progressed through working with Phil Beer, The Arizona Smoke Revue, Pete Seeger, The Joyce Gang, and now Maggie Boyle.

Together they are quite formidable, weaving together layers of voice, flute, bodhran & guitar that bring their songs to life in a simply unique style.

Advance tickets £8. On the door they will be £10. It all happens at the Grove, Seaton, October 2nd, with doors open at 7.45pm. As always, tickets available on the website www.eastdevonfolk.org or by phoning 01297 20064

The Tram of Terror!

SEATON Tramway, the unique heritage Tramway and tourist attraction in the Heart of Lyme Bay is offering great family days out in Devon during the Autumn half term from Saturday, 26th October until Thursday, 31st October. Halloween "Trams of Terror" will run everyday from Seaton during that period up to Colyton where there will be spooky entertainment for children.

Not for the fainthearted, our single deck trams, very scarily decked out, and driven by our most gruesome drivers will take passengers up to Colyton for some spine-tingling entertainment. Every child will receive a baddie bag and fancy dress is optional.

Revolting refreshments can be purchased at the Tramstop Café.

There are only a limited number of seats on our single deck trams, so to avoid disappointment, please book your place by telephoning 01297 20375 in advance.

To travel on a Tram of Terror, an adult ticket will cost £10, accompanying children from three to 15 years £8.00, and children under three years £4.00.

For those who wish to make the jour-

ney on a "normal tramcar", family tickets enable families of two adults and two children aged between three and fifteen to travel all day for £27. There is also the personal Lifetime Loyalty Card bought with a one-off payment of £10 per adult or £5 per child. Thereafter, upon presentation of Loyalty Card at every ticket purchase, you will receive a third off the published price for the cardholder and one other person. After you have collected ten tickets, the Loyalty card also entitles you to one free Explorer ticket.

Passengers travelling with dogs are welcome at a flat fare of £1 per dog each way, although Assistance dogs travel free. On double deck trams dogs must travel only on the lower deck.

At Halloween time, what better way for local people and holiday makers to explore the terrors of the Jurassic Coast at Seaton and the townships of Colyford and Colyton, as well as the River Axe Estuary and Axe Estuary Wetlands with all the amazing wildlife to be seen.

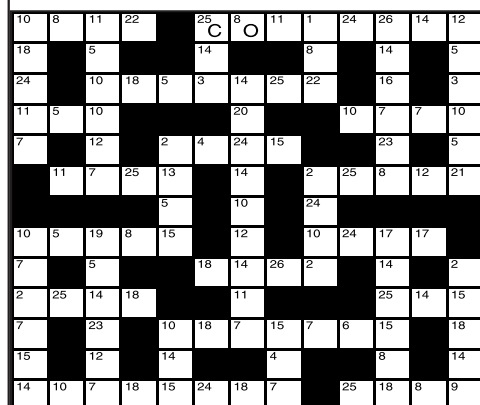

All tickets and Loyalty Cards can be purchased at the Seaton Terminis and Colyton Station ticket offices (or on line at: www.tram.co.uk)

Saturday 26th October The Borough of Colyford, Beating the Bounds.

The Ancient Borough of Colyford

IN the year of our Lord 1207, King John granted to Thomas Bassett and his heirs a seven-day fair at Michaelmas in the village of Colyford. The borough of Colyford was founded in 1225 by Thomas Bassett and by 1274 there were eleven Burgages. Finally during the reign of Edward III, in 1341, a charter was granted to the borough.

There were mayors of Colyford up to the late 19th Century; the present succession of Mayors date from 1931. The Mayors Mace, two truncheons and a pair of handcuffs exist today. The Mace, 18 inches long and made of iron, is probably 500 years old.

To commemorate the formation of the

Ancient Borough, on a Saturday near St Michael's Day, the villages beat the bounds, which entails following, where possible, the ancient boundary of the villages across fields, woodlands, the River Coly and a farm or two.

The Mayor and Burgesses wish to thank all those who have contributed in so many ways to this Michaelmas Goose Fayre, proceeds from which will go to benefit the local community. Our thanks are particularly due to Mr and Mrs Poutney of Springfield for their generous hospitality, also to Mr and Mrs Organ for the use of their field for car parking.

Mayor September 2013 Howard West.

ALL the fun of a Medieval Fayre can be had. During the afternoon there will be various demonstrations of traditional Country Crafts such as Thatching, Potting, Spinning, Hurdle Making, Armoury, Falconry, Wood Turning and Barrel making.

Wander along with the strolling players and the Woodroffe Early Music Group. On the way test your Circus Skills, try your hand at Skittling, Archery, Ride the Quintain or just fight it out on the Greasy Pole.

Pass the Forge & Cider Press on your way to the penned farm animals. Watch out for Sutton House Living History and their Fighting Knights.

In addition to the ever-popular Ram Roast, stalls will include pancakes, preserves, gingerbread, traditional sweetmeats, herbs and potions, pies, cakes and biscuits and the ever-popular plant stalls. Quench your thirst on Cider, Elderflower Champagne and Ale or visit the marquee where Afternoon Tea will be served.

I do like to be beside the seaside!

DAVID Ivory, a versatile organist and entertainer from Suffolk, was extremely complimentary about the Beer Wurlitzer Theatre Organ when he gave a superb show on Saturday, September 7th. He expressed his pleasure at having the opportunity to play on this historic Theatre Organ which is being painstakingly preserved and refurbished by a team of dedicated volunteers. David's extensive programme started with music from the golden age of films and well-known classical and modern tunes, followed by music with a nautical theme with the audience happily singing along!

The Beer Wurlitzer is now attracting musicians from all over the UK who enjoy playing on this unique organ and an exciting programme for 2014 has already been arranged.

There are just two more shows in the 2013 programme: Nicholas Martin, International Concert, Dance and Recording Organist, on October 12th and Byron Jones, an Internationally Renowned Organist, on November 30th. Shows take place at 2pm at the Congregational Church, Fore Street, Beer, entrance is £6 including

interval refreshments, children under 16 free. Everyone is welcome – the more the merrier!

An exciting and varied programme of musical events at Budleigh Salterton's Public Hall this autumn

Kiki Dee, Andy Fairweather Low, Martin Barre, Albion Band and Gerry & the Pacemakers all set for Budleigh!

WITH one of the loveliest voices in popular music, Kiki Dee, accompanied by guitar virtuoso Carmelo Luggeri, performs an eclectic selection of favourite covers, recent album tracks plus the familiar hits such as Amoureuse, I've got the music in me, Star and Don't go breakin' my heart on Saturday, October 5th at Budleigh Salterton's Public Hall.

On Sunday, October 27th founder member of Cardiff-based Amen Corner Andy Fairweather Low and his band the Low Riders perform hits from the band's back catalogue such as Bend Me, Shape Me, High in the Sky and (If Paradise is) half as nice, songs from his A&M period such as Reggae Tune, La Booga Rooga and the pop classic Wide-eyed and legless, the big Christmas hit of 1975, plus some favourite blues, gospel, rock and country classics. A busy musician, Andy plays with Bill Wyman's Rhythm Kings, performing with them at this year's Glastonbury Festival, and also tours regularly with Eric Clapton.

On Sunday, November 10th, guitar legend Martin Barre brings his 6-piece band to the venue.

Lead guitar with Jethro Tull for 44 years, Martin's distinctive playing has been a major factor in their long and successful career, which has produced album

sales exceeding 60 million units worldwide.

Martin's playing on Aqualung earned him many plaudits while his work on the album Crest of a Knave earned him a Grammy in 1988.

Martin's 6-piece band will play an eclectic mix of his favourite blues and rock standards seasoned with classic tracks from the Tull catalogue.

Sunday, December 15th sees The Albion Christmas Band come to Budleigh Salterton. Comprising Fairport Convention originals Ashley Hutchings (bass/vocals) and Simon Nicol (guitar/vocals) teamed with the lovely Kellie While (guitar/vocals) and Simon Care (melodeon/vocals/egg-dance), the Albion Christmas Band bring their seasonal show of songs, tunes, readings and yuletide merriment.

Lastly on March 1st next year Gerry & the Pacemakers visit the venue with a show full of banter, lively reminiscences and anecdotes of the heady days of Merseybeat and the Cavern Club and packed full of their timeless hits.

Bar and food available at all the above.

Othello screening at the Gateway

THE Gateway in Seaton proudly presents a live streaming of Shakespeare's 'Othello' from the National Theatre, London, on Thursday, September 26th.

Adrian Lester, last seen at the National Theatre as Henry V, takes the title role playing opposite Roy Kinnear as Lago whose recent appearances at the National Theatre include 'Hamlet' and 'Last of the Haussemans'.

Lester's role as Othello has all the dignified vulnerability one could wish for, Kinnear's Lago burns with contempt for the human race and for the beauty in

other people's lives.

This production is a gripping, lucid, taut and claustrophobic interpretation of Shakespeare's tragedy.

Come and experience this great production for yourselves at the Gateway, Seaton Town Hall, by satellite from the National Theatre, London.

Doors open at The Gateway at 6pm, with the performance at 7pm. Tickets cost £12.50 in advance, or £15 on the door, available from the Gateway, Seaton Town Hall box office 01297 625699.

The Band of the Portland Sea Cadets to provide support at Lions 4 Brass concert

THE band of the Portland Sea Cadets will be providing support for the Lions Brass for Youth at their concert, to be held at Seaton Town Hall on Saturday, October 5th in aid of Lions charities.

The Sea Cadets Band comprising 15 members, aged between 12 and 18, is one of the 80 Sea Cadet Bands operating in Britain.

Members of the Portland Band have entertained audiences at the Tower of London and rugby followers attending international matches at Twickenham. They also perform annually for the veterans at their parade in Weymouth.

Peppa Pig's Big Splash

Peppa Pig returns live on stage with puppets and brilliant sing-a-long songs at Plymouth Pavilions on August 5th and 6th 2014

This brand new production, Peppa Pig's Big Splash, comes fresh from the huge successes of the two previous tours Peppa Pig's Party and Peppa Pig's Treasure Hunt. Opening at the Orchard Theatre in Dartford on 24 October, this touring production will travel throughout the UK and Ireland until October 2014.

The nursery roof is leaking and Peppa and her friends need to fix it quickly. They set up a fete to raise the money for Mr Bull to do the repairs. There's plenty of fun to be had as Peppa, George, Mummy and Daddy Pig, as well as Danny Dog, Pedro Pony and Suzy Sheep put up bunting, run stalls and organise a great day out. There's also a Champion Puddle Jumping competition judged by Mr Potato where everyone gets wet and Peppa needs to find her Golden Boots. Another all-singing, all-dancing adventure full of songs, games and muddy puddles is guaranteed for all

the family.

Tickets are on sale now, costing £15.50, £13.50, Family ticket £54, and £2 off for U16s (plus £3 booking fee per ticket).

To book tickets contact the Box Office on 0845 146 1460 or visit www.plymouthpavilions.com where you can select your own seats.

PLYMOUTH PAVILIONS SECURE ADDITIONAL RUSSELL BRAND DATE!

PLYMOUTH Pavilions are pleased to announce that we have managed to secure an extra date in Plymouth on Russell Brand's Messiah Complex Tour! The silver tongued lothario will be in Plymouth this October for his sell out show, but now fans can snap up tickets for an additional date on Saturday, March 8th 2014!

Messiah Complex is a mental disorder where the sufferer thinks they might be the messiah.

Did Jesus have it? What about Che Guevara, Gandhi, Malcolm X and Hitler? All these men have shaped our lives and influenced the way we

think. Their images are used to represent ideas that often do not relate to them at all. Would Gandhi be into apple? Russell Brand will ponder all this and more once again, when he brings Messiah Complex to back to the Pavilions in March!

Tickets for the extra date go on sale TOMORROW (Wednesday, September 25th) at 10am. Tickets cost £27.50 (plus £3 booking fee per ticket), and to book tickets contact the Box Office on 0845 146 1460 or visit www.plymouthpavilions.com where you can select your own seats.

Harrimans

An excellent service in formal hire

HARRIMAN'S provide an excellent service in formal hire as well as all the traditional, casual and fashion wear for which they have built up a reputation over the last 100 years.

With hire wear supplied by Ultimate Formal Hire, we have a huge range of jacket styles, waistcoats and accessories to choose from, but if there is something specific that they do not offer we have a huge supplier base to try and source it for you.

- The first stage of the process would be to choose which Jacket style and colour you would like, then select a waistcoat pattern from the vast range supplied and match accessories to finalise the look you are after. When the Groom is happy with his choices, a try on can be arranged to make sure the correct items have been selected.

- Secondly, any other members of the party will need to be measured and

orders completed.

- Lastly the suits arrive approximately 2 weeks before the wedding, fittings arranged, and any adjustments can be organised for that perfect fit.

Whether it is to buy or

hire Sam and her team will guide you through the process of choosing the outfits you require with as much or as little help as you want, to ensure you have as easy and stress free time as possible on the build up to your big day.

Lucy's Cakes | Oathill Farm

West of England Laser Centre

Moles, sunspots and other blemishes

THE West of England Laser Centre situated at Nuffield Health Taunton Hospital, can treat these plus other skin conditions by laser.

Sun spots and freckles - sometimes known as 'liver' or 'age' spots - exist where the body collects more pigment, called melanin. For removal of moles, short bursts of high laser light are applied, thus removing precise layers of superficial skin layer by layer until the lesion is significantly diminished/no longer visible. The precision of modern-day lasers minimises risks of scarring - unlike the older version lasers of the past.

Also available is laser removal of: facial thread veins, warts, veruccas, "blood spots", excess hair and tattoos. In addition various injection treatments are used to smooth away fine facial lines and/or to add volume and definition, eg. to the lips. Baggy eyelid problems can also be solved at the centre by a minor surgical procedure.

Our website at www.welc.co.uk provides details on all our treatments. For further information or to book a consultation please telephone 01823 331773 or e-mail us at lasercentre@lineone.net.

Caterham plans its place in global car market

"We may be a small voice now, but we're on our way to engineering a decent set of lungs," said Tony Fernandes, Caterham Group Co-Chairman, as he outlined his ambitions for Caterham Cars ahead of the Singapore Grand Prix (Friday 20th September).

Speaking at the launch of Caterham's first new ultra-performance model, the AeroSeven Concept, Fernandes was sharing his vision for the brand.

"Caterham will show itself to be a progressive, open and entrepreneurially powered car brand that will deliver and surprise in equal measure.

"It has been a British institution for the last 40 years, and automotive secret in many ways, but in the very near future, the Caterham name will sit proudly on crossovers, city cars as well as a range of sportscars for everyone," he added.

In the two years since Fernandes and Caterham Group Co-Chairman and business partner, Dato' Kamarudin Meranun, bought Caterham Cars, the brand has expanded to include a growing engineering arm in Caterham Technology & Innovation, a specialist composites materials consultancy, Caterham Composites and the Oxfordshire, England based, Caterham F1 Team and Caterham Racing GP2 team.

Tony Fernandes confirmed that whilst the brand will include mainstream crossovers and small cars, the intention is to also extend its 'sporting heartbeat' with a range of accessible sportscars for the lifestyle buyer to the thrill-seeker; a journey it has begun with the new AeroSeven Concept.

Asia will be a key focus for Caterham as it develops a product range to meet the demands of a market both Fernandes and Ka-

marudin know extremely well.

"Twelve years ago, we were told our plans for AirAsia could not work," said Fernandes. "Today, AirAsia is the world's most profitable airline with a growing fleet of over 120 planes servicing 160 routes across 80 cities in 18 countries, carrying over 25m people annually. As proud winner of the title 'World's Best Low Cost Airline' for the past five years, we're fulfilling our dream that 'everyone can fly'."

Fernandes says that the same passion to succeed, and learn from within, is being applied to building the Caterham Cars brand.

"The Joint Venture with Renault to produce an all-new sportscar for both the Alpine and Caterham brands demonstrates our clear intent on doing this right, doing it sensibly, but above all, doing it the Caterham way," he added.

"And because we're a flat company, we're a quicker company. When we say we're going to do things internally, we do them. We don't procrastinate and lose momentum through legions of middle-management decision makers, we just do it.

"Add the culture of our F1 team in terms of nimbleness and the discipline to deliver in detail against a ticking clock and we have something very special within Caterham."

At this stage, Fernandes is unwilling to be drawn on the number of cars Caterham is aiming to sell, explaining: "We're focused on developing the right products; with the right retail experience, in the right markets, at the right time. The sales will then come."

The arrival of the AeroSeven Concept brings the number of new models brought to market by Caterham since the turn of the year to four.

After years of underinvestment to its heritage product, the Seven, Caterham launched the 485 to satisfy pent up demand for a higher performance variant across Europe, a new flagship 620R to once again remind every supercar brand that there is nothing to equal the sensation of driving a Seven, and finally, for the Global market, the entry-level, Suzuki powered 165.

A five-star Estate: Seat Leon ST gets five-star Euro NCAP rating

- **Outstanding five-star safety rating for recently unveiled SEAT Leon ST**
- **Score includes 94% rating for adult occupant protection and 92% for child occupant**
- **Euro NCAP Advanced commends SEAT for Leon ST's multi-collision brake and lane-keeping assistant technology**
- **All-new estate car open for ordering from 1 October, starting from just £16,675**

THE Seat Leon ST has been awarded a five-star safety rating by car safety assessment body Euro NCAP. The outstanding score puts the Leon ST among the very safest cars on the road.

The spacious, versatile and beautiful estate car, which goes on sale in the UK in October for January 2014 first deliveries, joins the Leon five-door hatchback as a five-star car.

The rating is the result of exceptional scores in all areas of the industry-standard Euro NCAP test, but particularly the adult occupant safety and child occupant safety sections, for which the Leon ST scored 94% and 92% respectively.

Features such as front passenger airbag deactivation, to facilitate installation of a rear-facing child seat, helped achieve the child occupant score, while extensive use of high strength and ultra-high strength steels in key areas of the chassis ensure that the Leon ST remains as stable as possible during a collision.

Alongside the five-star safety rating, the Leon ST has received two Euro NCAP Advanced awards, for its lane-keep-

ing assistant and multi-collision brake systems; Euro NCAP Advanced was established in 2010 by Euro NCAP to reward ground-breaking emerging safety innovations.

"SEAT is committed to the highest levels of active and passive safety in all its models," says Dr. Matthias Rabe, Executive Vice-President for Research and Development at SEAT S.A. "The thorough development work developed at our Technical Centre is now rewarded with the excellent classification achieved by both variants of the new Leon in the demanding Euro NCAP tests.

"We are also pleased with the two Euro NCAP Advanced rewards for the SEAT multi-collision brake system and the SEAT lane-keeping assistant in the new Leon. It is the new Leon family at the very top of the latest technology," he adds.

Dr. Rabe accepted the two Euro NCAP Advanced certificates at the Frankfurt Motor Show, where the Leon ST made its world debut.

SEAT lane-keeping assistant (known as Lane Assist in the UK and available as part of the Leon's optional Driver Assist Pack) uses a camera mounted behind the rear view mirror, which detects lane markings and helps the driver stay in lane. Working at speeds above 40 mph and linked to the power steering system, it applies a small amount of torque to the steering wheel intended to prompt the driver into taking corrective action should he or she begin to drift out of lane.

The multi-collision braking system (called Automatic Post-Collision Braking System in the UK, and standard fit) detects when the car has been involved in an accident – for example when the airbag has been fired – and automatically applies the brakes to prevent or mitigate a subsequent impact. It triggers both the hazard warning lights and the brake lights.

With a starting price of just £16,675 for a 1.2 TSI 105 PS model in S specification, the Leon ST represents amazing

value. Every version comes with air conditioning, Bluetooth connectivity for phone and audio, steering wheel-mounted controls, a colour touch-screen infotainment interface, front electric windows, roof rails and a double boot floor.

Thanks to a 587-litre boot that stretches to 1,470 litres with the rear seats folded flat, the Leon ST is one of the biggest estates in its class, while its £825 premium over an equivalent Leon five-door model is significantly lower than that of the majority of its direct competitors.

Seat is the only company in its sector with the full-range capacity to design, develop, manufacture and market cars in Spain. A member of the Volkswagen Group, the multinational has its headquarters in Martorell (Barcelona), exporting 83% of its vehicles, and is present in 77 countries. In 2012 SEAT had a total turnover of more than 6 billion euros, with overall deliveries amounting to 321,000 units.

Seat Group employs 14,000 professionals at its three production centres in Barcelona – Zona Franca, El Prat de Llobregat and Martorell, where it manufactures the highly successful Ibiza and Leon, amongst other models. Additionally, the company produces the Alhambra in Palmela (Portugal), the Mii in Bratislava (Slovakia) and the Toledo in Mladá Boleslav (Czech Republic) at Volkswagen Group plants.

The Spanish multinational also has a Technical Center, a 'knowledge hub', bringing together more than 900 engineers whose goal is to be the driving force behind innovation for the number one industrial investor in R&D in Spain. In line with its declared commitment to environmental protection, SEAT undertakes and bases its core activity on sustainability, namely reduction of CO2 emissions, energy efficiency, as well as recycling and re-use of resources.

SEAT UK enjoyed a tremendous year in 2012, selling 38,798 cars and achieving a 1.9% market share – both company records.

How do Rear Parking Sensors work?

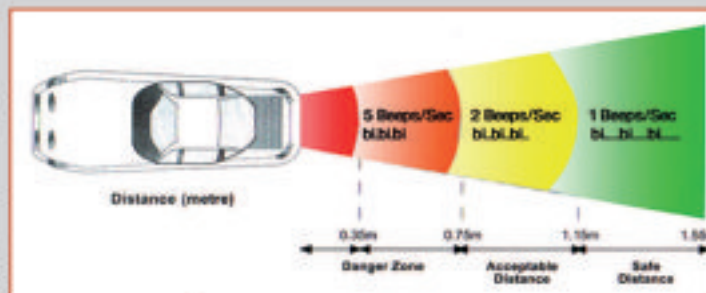

The rear parking system is automatically activated when you engage reverse gear.

Sensors are fitted into the rear bumper of the vehicle, which send and receive ultrasonic radio waves that bounce off

obstacles and alert you to their presence.

There is an internal audio buzzer that gradually increases in frequency as you approach the object. A continuous tone denotes that you are approximately 0.35m (1ft) from the obstacle.

We can also fit rear parking sensors to most vans. Call us with your vehicle details. We have a range of colours please ask for more details.

Volvo and Reevoos partnership reassures car buyers with real customer reviews

*Volvo and Reevoos join forces to reassure customers researching their next car online
Car buyers can view genuine Volvo reviews from existing customers on www.volvocars.co.uk
Peace of mind for customers that they're buying a Volvo that is independently rated and recommended*

PREMIUM car manufacturer Volvo has turned to social commerce expert Reevoos to incorporate opinions from its own customers into its online experience.

The project is designed to deliver added insight for customers looking to purchase either a new or used Volvo car by showing how highly rated they are by the most influential people – those that al-

ready own and live with them every day.

Reevoos will integrate verified buyer reviews and ratings into Volvo's own website www.volvocars.co.uk. Being able to see how existing customers view the ownership experience will give potential buyers added peace of mind that they are purchasing a desirable and reliable vehicle.

Georgina Williams, Head of Marketing at Volvo Car UK, said: "Car buying involves a significant financial investment so it can often be a very emotional experience – we know that car buyers will talk to their friends for opinions, advice and recommendations about what they drive, before heading online to do more research."

"So we wanted to find a way of reassuring people when they come to our website that buying a Volvo

is an experience they can look forward to. What better way to do that than let them see reviews from existing customers."

Reevoos's philosophy is absolute impartiality, so the reviews on the website are the views of genuine customers, genuinely told. Reevoos collects, collates and publishes independent online car reviews from real Volvo owners.

With no editing or censorship, it's a brave move for a car manufacturer to include them on its customer facing website, but also a sign of just how confident Volvo is about the quality of its cars.

Georgina added: "We know that our customers love their cars and the experience of owning a Volvo, so why not tell as many people as possible? There's no better reassurance than a recommendation and we're looking forward to seeing how the

reviews can encourage more people to join our brand."

Reevoos CEO Jonathan Callcut believes a unique and loyal customer base will help increase sales and keep Volvo top-of-mind for car buyers.

"Volvo drivers are a chatty lot... and Reevoos is going to take those conversations online and use them to drive customer engagement. Car buyers are greatly influenced by the opinions of other drivers and Volvo owners adore their vehicles. It's a great partnership."

For more information about the full range of Volvo vehicles, and to see real reviews of the cars by existing owners, visit: www.volvocars.co.uk (hover the mouse over any model name at the top of the page, (e.g. 'XC60') and then click 'Owner Reviews' on the menu).

Vauxhall scoops What Car? Used Car awards hat trick

VAUXHALL claimed an impressive triple award-haul at the What Car? Used Car Awards on Monday, including the headline manufacturer award, a small car accolade for the Corsa and the nearly new honour for the Astra.

"Our manufacturer award seeks to recognise a car maker committed to making the buying process as easy as possible, while offering a choice of cars at sensible prices," said Chas Hallett, What Car? Editor-in-chief. "Our judges felt that Vauxhall offered all of the above, with its impressive model range, two of which have secured wins in this year's awards."

Clinching the best small car under £5,000 category, the top-selling Corsa was praised by What Car? for its superb value and reliability. Completing the treble with the best nearly new car over £6,000 award, the ever-popular Astra was lauded by judges for its space, practicality and low running costs. "It's hard to think of another car less than a year old that offers more value for money," said the What Car? judges.

"We are delighted to receive these three prestigious awards from

What Car?," said Duncan Aldred, Vauxhall's Chairman and Managing Director. "With over two million cars sold to date, our used car brand Network Q, is the UK's largest with an unparalleled choice of used Vauxhalls available."

The What Car? Used Car of the Year judging panel were from all areas of the motor industry, including Fords of Winsford car supermarket, Warranty Direct, CDL Ltd, plus experts from What Car?. As well as selecting the overall Used Car of the Year, the judges picked winners and runners-up in nine categories, looking at running costs, reliability, driveability, quality, longevity, safety features and desirability.

What Car?'s road test editor and head judge Steve Huntingford said: "Network Q is one of the oldest approved used schemes. There are more than 350 outlets and it has a good online offering, a great choice of stock, all cars come with a comprehensive Network Q check, and an unbeatable insurance package. Network Q makes buying a used car very easy."

Danny's double fires champions Fenny

Fresha Devon & Exeter League - Round-up

Premier leaders ST MARTINS stole the show with their eye-watering 12-0 battering of HEAVITREE UNITED.

The Saints were merciless throughout as they claimed their fifth win in succession.

Not too far behind were NEWTOWN who destroyed BEER ALBION 8-0 on their own patch, no mean feat.

Dale O'Donoghue (3), Ben Howard (2), Corey O'Donoghue, Ask Barker and Jack Gill shared the Newtown goals.

FENITON were 2-1 winners at TIVERTON TOWN, Danny Lewis getting both goals in a really cracking match which preserves Fenny's 100 per cent record.

CLYST VALLEY avenged a 6-1 defeat to TOPSHAM TOWN winning 3-1 at Winslade Park and collecting their first points. Chris Elliot had all three goals and they were all crackers.

THORVERTON defeated CHARD TOWN 2-1 and cling to the coat tails of SEATON TOWN who were happy to get past WILLAND ROVERS 2-0.

Both goals came from Peter Knox.

Seaton manager Keith Somerese was impressed by midfielder Jack Lamb-Wilson and Matt Matt Hancock who did a good job filling-in at left-back.

Richard Higham and Calum Shipton were the BUDLEIGH SALTERTON marksmen as they beat HATHERLEIGH TOWN 2-0.

ELMORE won the battle of the 100 per cent teams in Division One in a thriller at SIDBURY UNITED and go top.

BOW AAC had a tougher game than expected against bottom of the table NEWTON POPPLEFORD but won 4-0 with Louis Kinch getting a brace.

EAST BUDLEIGH were held to a 1-1 draw by neighbours TIPTON ST JOHN which was their first point, but Budleigh still move into the top three.

Jack Woodman had both goals for WITHERIDGE 2-1 winners at EXMOUTH AMATEURS, and Tariq Elhari scored twice for HEAVITREE UNITED in a 3-3 draw against CULLOMPTON RANGERS.

THE UNIVERSITY opened their account with a blistering 7-0 win against BICKLEIGH.

DOLPHIN take over as Division Town leaders after their 2-1 win at NEWTON ST CYRES, but it was HONITON TOWN and DAWLISH TOWN who grabbed the limelight. Honiton swept CREDITON UNITED aside 10-1 while Dawlish also hit ten at TOPSHAM TOWN

who failed to respond at all. WESTEXE ROVERS won 3-0 at home to CLYST VALLEY with Rhys Parsons, Chris Tolly and John Lacey scoring.

UPOTTERY celebrated the opening of their new changing rooms with a derby match against HEMYOCK which was home manager Dan Prettejohn's former team.

Dan had hoped Upottery would barbecue the Division Three leaders, but it ended all square at 2-2.

Second place TEDBURY ST MARY suffered a shock 4-0 defeat at WOODBURY, NEWTOWN hammered SIDMOUTH TOWN 5-1 with Luke Jones getting a hat-trick, and OTTERTON ST MARY clocked up their first win routing AXMINSTER TOWN 6-1.

Division Four leaders CHERITON FITZPAINE have been caught after losing 4-3 at the UNIVERSITY, AXMOUTH UNITED joining them in top spot after visitors WINKLEIGH cried off.

ST MARTINS are the surprise leaders in Division Five after their 2-1 win at FENITON where Rob Speakman scored both goals including a late minute winner.

OTTERTON are already six points clear in Division Six with a 2-1 win at EAST BUDLEIGH, their newest challengers STARCROSS GENERALS beating OTTERTON ST MARY 5-0.

HENRYS CRONIES take over as Division Seven leaders after their 10-1 win against PINHOE, Stewart Tyrer getting four goals and both Martin Tyrer and Jordan Burrows getting hat-tricks.

MILLWEY RISE 1 MISTERTON 2
MILLWEY Rise slipped to their second home Premier division defeat in a week writes Howard Larcombe.

Levi Hoole netted his fifth of the season but two goals from Connor Fletcher saw visitors Misterton bag all three points.

In Division One goals from Phil Derryman (2) and Ash Trudgeon saw Farway United move up to fourth and consigned Beaminster Reserves to a third consecutive league defeat.

Down in division three Millwey Rise Reserves completed a poor day for the club as they were beaten 5-1 at home by Drompton. Player-manager Simon Flint was on target for the second game in a row.

Elsewhere, things are looking good at Hawkchurch United.

Stuart Weir, Jack Larcombe and man-of-the-match Gavin Herrod netted in a 3-2 win over Ilminster A.

The Hawks currently sit proudly in top spot. Finally, two Billy Reed goals were scant consolation for Farway United Reserves who suffered their biggest home defeat for two and half years as they were thrashed 8-2 by Uplyme Reserves.

Youth Football

MILLWEY RISE U9 7
MOORS HAWKS 2
MILLWEY started well in their first Devon & Exeter youth league game of the season.

With some additional summer signings the team looked strong and it wasn't long before Ben Fox open the scoring with some strong running down the wing before rifling the ball past the on-rushing 'keeper.

Further goals followed from Tyler Dibling (2), Jacob England, Dylan Bebbington and the Man-of-the-Match Owen Enticott (2).

MILLWEY RISE U9 4 TWYFORD SPARTANS 0

ONCE again Millwey started brightly and opened the scoring through Arron Conway.

The match was a close encounter with some brilliant defending from Nathaniel Giles-Jones and 'keeper Louis Cornick.

After the break, and a few changes, Millwey got back in control of the game and scored a further three excellent goals from Man-of-the-Match Tyler Dibling, Dylan Bebbington and Ben Fox.

Millwey Manager Sam Diblins said: "Well done to all involved, it was very pleasing to watch some excellent football being played and the good spirit between both teams involved."

"A big well done to our new players Frasier Dare, Leo Weir, Louis Cornick and Jade Flint who made their debut."

cup game and it exploded into life within 10 seconds when Tyler Dibling slipped the ball out to the wing for Ben Fox to produce a superb cross for Dibling to head home.

Dibling scored twice to complete his hat-trick and Dylan Bebbington added a fourth.

SIDMOUTH U14 1 SEATON 3

Newly promoted Seaton Towns U14s now playing in the Exeter and District Youth League Division 2, continued their good start with a 3-1 win at Sidmouth Raiders.

An even first-half ended 1-1 with Will House on target for Seaton.

The second-half saw Town increasingly dominant with several very good chances created, two being taken by Oliver Browne and Kieren Daniels.

The Sidmouth goalkeeper had an excellent game. Manager Tony Bartlett said: "Although we drew our first two games, we created enough chances to have taken all six points."

The quality of our possession is very pleasing, and we have pace and flair all over the pitch.

The boys are enjoying their football and I am pleased with the way the team is developing."

MILLWEY RISE U15 0 SEATON TOWN 10

GOALS from Tony Pinder and Matt Vincent saw Seaton two up at the turnaround.

After a wake up call at half time the Seaton boys moved up through the gears.

FENITON U11 5 COPPLESTONE 3
AFTER three years of playing friendlies and training together Feniton U11s first ever league match ended with a fine 5-3 win over Copplestone.

Sporting their new kit, sponsored by local architectural practice, The Drawing Office (SW) Ltd, Fenny started well scoring three goals in quick succession.

However, a wobbly end saw them concede three just before half-time.

In the second-half a gritty performance led to Feniton scoring two more goals and sealing victory.

The goals were scored by Gabriel Hayal (2), Patrick Dixon (2) and Jack Delves.

Coach David Grimshaw said after the game "The boys really played together as a team today - that was the key to winning the match".

Gradings success at Seaton

MEMBERS of the Seaton Success4Life Junior Black Belt School, the junior training arm of the British Kenpo Karate Union, recently tested for, and successfully achieved, their respective belt grades.

Children aged between four and 16 years of age who have been training in the age specific martial arts programmes went onto the training floor at the Seaton Martial Arts Centre and showcased their substantial skill in front of the grading panel, family members and friends.

The Grading Panel; Associate Master, Kevin J Mills, 8th Degree Black Belt and Senior Instructors Jenni Mills and Amrik Singh, 4th Degree Black Belts were most impressed with the standard and knowledge of material displayed by these young people, as were their Instructors, Matthew Palmer and Mrs Aurora Singh.

The Seaton School is now commencing its in-take of new students, contact Amrik Singh on 07966 444321 or email amrik.singh@bkku.com for further details. Website: www.s4lifejuniorblackbeltschool.com Visit us on Facebook: www.facebook.com/Success4LifeJuniorBlackBeltSchool.

Lester boosting Seaton CC

THE social side of Seaton cricket club, one of the town's biggest sports organisations, is ever improving and this is mainly down to the efforts of Martin Pigott being given the job as head of fundraising and social activities this season.

Martin has organised a spoof night and a race night amongst other events which have been well-attended.

'Lester' is finishing off the cricket season by organising car boot sales on Saturday mornings at the Court Lane Ground (28th September and October 5th).

Sellers are able to arrive and set up at 8am before buyers arrive at 9am. Refreshments will be available from the clubhouse.

Iron man Luke gets on (and off!) his bike!

AXE VALLEY RUNNERS

with Dave Mutter

FOUR of the AVR's taking part in Honiton Running Club's **Cotleigh Canter** runs on Sunday managed to win their age categories.

In the 5k event Rick Wood made one of his rare running appearances to take the Male Vet over 55 award, finishing 17th overall in 25:43.

Junior AVR's also did well in this event with Bobby Simpson 5th in 20:26 and Mia Bartlett 14th in 24:08.

In the 10k event Rupert Pady was first AVR home in 41:32, 7th overall and 1st M35.

Next home was Paul Johns. 11th in 44:18 followed swiftly by Robin Britton taking the first over 55 male vet prize in 44:37. Next was Eleanor Wood, first lady over 55 and 15th overall.

Ian Apps came in 11th in 45:05, Geoff Woodward, 21st in 46:46, Andy Sayers 25th 50:27, Stephen Morbey 26th in 52:01, Alan Morbey 26th in 52:52 and Tracey Anning Beckett 32nd in 57:11.

Also on Sunday, Exmouth Harriers staged the **Woodbury 10k** event in aid of the charity, Tearfund.

AVR runner Sam Wickins competed, running along the undulating country lanes surrounding Woodbury and Woodbury Salterton, completing the course in a time of 48:27.

Tim and James Sibley went a little further afield on Saturday taking part in the **Aberystwyth 3k Park Run**.

James finished 17th in a time of 22:35 and Tim finished 7th in a time of 20:20.

A **Half Iron Man Triathlon** in the beautiful New Forest was completed by three AVR's, Alex Todd, Garry Perratt and Phil Bayliss on Sunday.

Mist sitting over the lake caused the swim to be shortened to one mile. After this they cycled 56 miles through villages, woods and over moorland being careful to avoid the free-range donkeys, cows and horses which wandered around the roadsides.

After a quick change through transition they began the more familiar 13.9 mile track and woodland run.

Alex Todd showed his experience in triathlons by storming through the course to 26th place in 5:00:10 hours.

This was a new experience for Garry and Phil - Garry completed the course in 5:50:11 and Phil collected the over 60s prize to finish in 5:51:39.

On Friday Luke Reed had a slight mishap on his pushbike, deciding to take a trip over the handlebars!

This wasn't the best preparation for Sunday **Etonman Half Ironman** at Dorney Lake in Surrey.

Luke got to the start line slightly battered and bruised, but ready for the challenge ahead.

The swim was 1900m around the Olympic

Rowing Lake. Luke came out of the water 12th out of the 145 starters.

On to the 10-lap 56-mile bike course, and it was soon apparent that there was a problem as one in three competitors seemed to get punctures!

Unfortunately Luke didn't avoid this, on lap three he picked up a puncture which he managed to fix within a four or five minutes then carried on.

Onto lap seven and Luke got another puncture so he ran back to transition to get some spares, got back to the bike fixed the puncture then finished the lap.

This time the repair hadn't worked, so he ran back to his car, got a spare wheel, swapped it over then managed to eventually finish the bike course in 3:04.11, losing around 27 minutes to punctures.

Luke then put the bike problems behind him and stormed around the four lap running course in 1.31.21, picking up 22 places, finishing 17th overall.

Luke would like to thank all those that have helped and supported him this season. He's now off for a few months rest.

HONITON RC with Judy Davey

HONITON Running Club held its **Cotleigh Canter** races last Sunday.

The headquarters was Cotleigh Village Hall with the 5k route circling the lanes of Cotleigh and the 10k race being two loops.

The 10k race was won by Jason Drew of Sidmouth Running Club in a time of 36 minutes 51 seconds.

Although many Honiton members were busy marshalling or helping in other ways, the Club did have a brilliant turnout of runners. Chris Entwistle was Honiton's first runner home in 3rd place overall in 39:19. He won the V35 category having had his birthday earlier in the week.

The next three places were also taken by Honiton with Graham Reeves next back in 39:31, Ian Stewart just one second later and new member Roland Hall just two seconds after him.

Tom Borner is running really well at the moment and came 9th in 43:27. Vernon Gillard was surprised to win the V45 prize coming 10th in 43:42. Suzanne Spiller and Julie Payne battled it out throughout the race with Suzanne just beating Julie by three seconds taking 12th and 13th place.

Both ladies were justly rewarded as they took prizes for 1st and 2nd ladies.

Steve Selley was running for Honiton for the first time and had a great run coming 16th in 44:53.

Local Rod Inglis didn't have to travel too far down the hill from home and actually had to run past his house twice on route! He came 18th in 45:06 with Ceri Oak coming back from

■ COMPASSES READY: The Devon Junior orienteering team

injury to come 19th in 45:35 taking her age category prize.

Mark Dallyn was next in for Honiton coming 22nd in 47:25 and Linda Pike came 31st in 56:53. Michelle Selley also ran for Honiton for the first time pleased to finish under the hour in 58:26 and 36th place.

Carol Turnham is training hard for the club trip to Jersey and finished 38th in 1:01:16. There were 46 finishers.

Knox double boosts Seaton

WITH Liverton United suffering a record breaking 23-0 defeat at Stoke Gabriel Axminster Town's 3-1 defeat at Alphington slipped under the South-West Peninsula League radar.

The Alphas were 2-0 up inside 15 minutes. Joel Seward pulled one back for Axminster with his first goal of the season but the hosts still led 3-1 at the interval.

With no goals in the second-half The Tigers were consigned to their fourth straight defeat and remain 13th in the table as a result.

Axminster welcome sixth placed Apple-dore to their temporary home at Colyton Grammar School at the weekend (3pm ko).

In the Devon & Exeter League Axminster Town Reserves also tasted defeat – beaten 6-1 in their division three clash at Ottery St Mary. The Tigers' second string will hope for better when they head off to face Chagford on Saturday.

Up in the Premier division there was better news from Colyford Road where two goals from Pete Knox earned Seaton Town a 2-0 win over visiting Willand Rovers Reserves and a leap of two places up to sixth spot.

weekend when they visit second-placed Newtown who are fresh from thrashing Beer Albion 8-0 on their own Furzebrake turf.

Down in division five both Seaton Town and Beer Albion Reserve teams suffered away-day defeats; Seaton 4-1 at Lapford while the Fishermen were edged out 2-1 at Countess Wear Dynamos.

Both teams will be looking to register their first points of the season with home games at the weekend. Beer welcome newly-promoted Feniton Reserves with Seaton playing host to Dawlish United Reserves.

In Division Two Colyton held unbeaten Lympstone to a 3-3 draw and will look to build on this when they head off to Halwill.

Colyton Reserves completed a good week-end for the club with a 2-0 win at Bradninch. Next up is Saturday's visit by Open Space International.

In division four Axmouth United's scheduled game with Winkleigh at Bosshill Cross was postponed.

Ax manager Laurie Forino told *Pulman's View Sport* that he assumed they would be awarded the points as Winkleigh called off late on Friday.

The Hammers are on the road on Saturday with a trip to Okehampton Reserves.

Over in the Perry Street & District League a Levi Hoole goal couldn't save Millwey Rise from a 2-1 home defeat by Misterton.

Rise will hope for better at the weekend when they travel to take on struggling Combe Reserves who have shipped 16 goals in their first three games and whose manager Ivor Hutchings resigned on Saturday.

The second of two games at Harry's Field saw player-manager Simons Flint on the score sheet but Millwey Reserves hammered 5-1 by title contender Drimpton.

Flint's troops turn their attention to retaining the John Fowler cup on Saturday when they make the short journey to the Woodroffe School to take on unbeaten Lyme Bantams.

Hawkchurch are the new division three leaders after a 3-2 win over Ilminster Town A.

Next up for the Hawks is a Fowler cup-tie at home against Winsham Reserves.
